

Vote Against: Steve “Trump Supporter” Pearce

Trump’s Border Wall deports hard working Americas. As a result of increases in salary, undocumented immigrants paid an estimated \$167.5 million in income, property and sales taxes in 2010, which the study says covered the \$166.5 million dollar cost of K-12 education, emergency medical care and jail and prison incarceration the states spends on the population. “In Colorado, for every job held by an undocumented immigrant, 0.8 jobs are created.” J Boven, “Illegal immigration,” Bell Policy Study,” July 25, 2011.

However, the economic activity generated by undocumented immigrant households accounts for an additional 91,000 jobs statewide, \$4.7 billion in personal income and \$15 billion in industry output. J Boven, “Illegal immigration,” Bell Policy Study,” July 25, 2011.
