Dance Lessons

Re: Dance Lesson and Dance.

Everybody is welcome. Please help me by spreading the word. Enclosed is my first New Mexico dance flyer. As a Professor of History, I have created my own Teaching Method, the Discussion Packet Teaching Method. Similarly as a Dance Teacher, I have developed my own interactive Dance Teaching Method. Unlike most dance teachers, who feature eight minutes of lecture for three minutes of dance, I limit my comments to much less than one minute. I use the principle of three-two-one. Three points is OK, two is better and making only one point (in terse clear language) is by far the best. You can download dance books (Country\Western and West Coast Swing), flyers and memos from my website (above). Sign up by mailing me an email to: [marksaiki5@gmail.com](mailto:marksaiki5@gmail.com) If you are interested, get on my mailing list, then send me an email. I have applied to teach dance at Mountain View Senior Circle.
