To Whom It May Concern,

I would like to recommend that Mark Saiki be hired as a high school teacher. I have known Mr. Saiki since our law school days in the early 1980s when we used to play chess together at lunch. After I graduated from law school I worked for Mr. Saiki as a legal assistant. I believe that his job training helped me pass the bar examination.

Recently I have hired Mr. Saiki to work part time as a legal assistant in my own law office. I find Mr. Saiki to be honest, hard working, reliable, punctual and professional. I find his assistance to be invaluable.

If you have any questions, please call or write.

Sincerely,

Gary Filosa
