To Whom This May Concern,

I was employed by Mark Saiki for a period of 2 1/2 years as his primary office person while he was a bankruptcy attorney in Denver, Colorado. During that time, I found Mark to be hard working and extremely consciencious in his representation of his clients.

As an employer, Mark was open to any ideas or suggestions from his employees concerning the office or the business. Likewise, he was always willing to take the time to explain how he wanted us to perform our tasks so that we understood what was expected, and then he left us alone to do them. He doesn't take his responsibilities lightly and always thinks through his actions before he follows through with them.

I would recommend Mark Saiki without hesitation in any endeavor he pursues, as I have confidence he will contribute 101% of his energy to insure that it is completed correctly and to the best of his ability.

If you have any questions, please call or write.

Sincerely,

Sue A. Brown
